Underground parking

Our underground parking with guest parking spaces is located in the first basement (level -1) of the GDV building.

Entry

The underground parking is accessible from Mohrenstrasse (cross street to Wilhelmstrasse). Just behind the Embassy of the Czech Republic is a blind alley that ends in the driveway to the GDV underground parking. Please use the inter phone to get in contact with the reception, tell your name and the receptionist will give you your parking number and will open the barrier. Please keep right after entering the parking space. In the middle area guest parking places are signposted. At the exit 43 G (yellow door) is another inter phone that you have to use to be opened the door. By elevator you arrive at the ground floor (level EG) where the reception is located.

Exit

Use the elevator to the first basement (level -1) where you have to open the yellow door (43 G) via an electric door opener to access the underground parking. Please drive up to the stop line, wait until the signal light shows "green" and the barrier opens automatically.
